### WORLD HEARING VOICES DAY

**13th SEPTEMBER 2015**

Come along and join us for the afternoon. All welcome.

We will have a viewing of the excellent Documentary

#### **“THE VIRTUES OF NON-COMPLIANCE”**

\*Winner of Best Short Film at Mad in America's 2014 International Film Festival\*

*The current-day mental health system has been shaped around the idea that people who have been given psychiatric labels suffer in a way over which they have no control and that often results in an inability to*

*care for one's self. It is an approach that encourages the idea that professionals need to step in to be the experts and determine someone's human potential. These beliefs have also influenced other aspects of our culture to the point where news, movies, friends and family tend to perpetuate the message that we are chronically sick and need to re-adjust our hopes and dreams.*

*‘The Virtues of Non-Compliance talks back to all those ideas in the voice of people who have been there, who have been told they can't, and who have gone on to live their lives on their own terms.*

**FOLLOWED BY AN OPEN DISCUSSION ON TREATMENTS & SERVICES THAT ARE HELPFUL /UNHELPFUL IN NEW ZEALAND**, from this we hope to produce a DOCUMENT to share with others on their journey.

Please bring a plate along, for a shared afternoon tea

Hearing Voices Network Aotearoa NZ, will then host their **Annual General Meeting**. All are welcome to stay. We rely on the help of volunteers to continue our work and are always looking for people willing to help 😊
